The Government Oculist brings to notice that the present establishment of warders attached to the Eye Infirmary, Bangalore, is quite inadequate and solicits sanction to the entertainment of 2 additional male warders.

The Senior Surgeon strongly supports this application, and both the Councillors are of opinion that the additional warders are necessary and may be sanctioned.

The entertainment of 2 additional male warders at Rs.7 per mensem may be sanctioned.

Very Urgent

Office of Senior Surgeon, Mysore Government

No. G.743/1

Dated, Bangalore, 23 May 1908.

From

Major H.E.Drake-Brockman I.M.S.,
Senior Surgeon with the Govt. of
His Highness the Maharaja of Mysore
Bangalore.

Med 239-07
Pl no 1

To

C.S.Balasundaram Iyer Esqr., B.A.,
Offg. Secretary to the Govt. of H.H.the
Maharaja of Mysore, Genl. & Rev.Depts
Bangalore.

Sir,

I have the honour to forward for favourable consideration of the Government of His Highness the Maharaja of Mysore, the accompanying copy of letter No.207, dated -- 7th instant, received from the Government Oculist, and to request the favour of sanction of Government being obtained, for the entertainment of 2 additional male warders referred to therein, for reasons assigned by him with which I quite agree.

I further beg to observe that if nurses are neces-sary and supplied to Victoria Hospital, they are doubly -- necessary here where such delicate surgery is done & where so the chances of sepsis occurring are much more possible & results more disastrous when they do occur. Patients -- after Eye operation require very much more careful handling than those in a General Hospital owing to delicate nature of tissues operated upon. The cost of these men may also be kindly ordered to be included in the budget for 1908-09.

I have the honour to be,
Sir,
Your most obedient servant,
By Order,

Personal Assistant
to Senior Surgeon, Mysore Govt

No.207 dated 7-5-08 from the Government Oculist Bangalore, to the Senior Surgeon, Mysore Government, Banga -lore.

I have the honour to bring to your notice that the Eye Infirmary is working at a great disadvantage for want of proper equipement of servants. The subjoined list gives an idea of the work turned out by the present staff.

You will see I have only 2 ward coolies on the male side to look after about 17 to 22 In-patients and -- about 100 to 150 Out-patients. These two men come daily at 6 A.M and stay on till about 12 noon i.e., till the Out -patient work is finished; then they go away and one of --- them comes to sleep at nights at 7 P.M, between 12 & 7 p.m the poor patients are left to the care of the thoti. This pratice, I believe, is one of the sources of infection. I brought to your notice some times back in my D.O.

A dirty fellow like the Thdti has to lead the blind patients to the latrine which to say the least is anything but desirable.

I therefore request you to be good enough to -- place these facts before the Government and get me 2 addi- tional male warders sanctioned.

List of duty performed by the Staff.

2.Male ward coolies 6 A.M to 12 Noon on duty and on alter- nate days they take night duty from 7 P.M to 6 A.M.

2.Female ward coolies 6 A.M to 12 Noon and on alternate days they take night duty as well.

1.Orderly from 6 A.M to 6 P.M.He has to @@ look after the bedding etc., as well keeps an account of the same, and -- looks after the operation room. He is in fact my linen -- clerk and has been so ever since the Institution was found -ed.

1.Peon on duty in the mornings and goes home for food after 12 noon then goes round with tappal after 3 P.M

1.Brahmin Cook from 7 A.M to 6 P.M.
1.Sudra .....do.....do.....do...
1.Thoti all day and night.
